Thorpe Park: Saturday 18th October

Dear Scouts,

This letter gives you all the information that you need for the trip to Thorpe Park on Saturday.

What time are we meeting?

We will meet at the front of the railway station at 8:15am. Please note that as we will be catching a train we will not be able to wait for anyone who is late.

What do I need to bring?

You need to wear the top half of your uniform (shirt and scarf for invested scouts, jumper and scarf for cubs). You should wear sensible trousers and shoes for walking around all day. You should bring a waterproof jacket in case it rains or you go on any water rides.

You should also bring a packed lunch. Remember that you will have to carry it around with you all day so you will need a bag to carry it.

There is plenty of opportunity to spend money at Thorpe Park so you may want to bring some spending money.

What time will we get back?

We are aiming to arrive back at the station at 8:34pm. While we will try to let your parents know if we're running late it may not be possible if we are stuck somewhere with no mobile signal.

Mobile Telephones

If you have a mobile phone it might be useful to bring it with you in case you get separated from the group during the day. If you do bring a mobile phone please give your number to a leader. Unfortunately we cannot take responsibility for any phones so if you do bring one it is at your own risk.

Any questions?
